Transition Readiness Toolkit

- Montana is one of six states that is beginning to assess the effectiveness of Pre-ETS to students with disabilities through the Rehabilitation Services Administration's grant-funded Human Services Transition Readiness Toolkit.
- The project supports accessible pre and post-test surveys to students to help DPHHS gather and analyze results and impact.
- Benefits of implementation include:
 - increased accuracy in recording Pre-ETS services
 - data-driven decision making
 - individual growth resulting from services
 - program evaluation data on effectiveness of services
 - greater collaboration between transition agencies with shared outcomes and measures

DDS Intelligent Medical Language Analysis Generation (IMAGEN) Implementation

Leading the Way

- Among the first to adopt and implement IMAGEN AI machine learning technology.
- Analyzes clinical text from health records, converting it into data for disability determination.

Implementation and Training

- Beta implementation in early 2023.
- Became instrumental for all examiners through ongoing training.

Current Usage

- 100% of Montana DDS examiners use IMAGEN.
- Leading the nation in implementation and enthusiasm.

Benefits

- More efficient analysis of medical evidence.
- Enhanced protection of personally identifiable information (PII).
- More timely and accurate determination of disability cases.

Individualized Placement & Support Collaboration

IPS Supported Employment Model Principles

- Goal: Competitive Integrated Employment.
- Eligibility: Open to all individuals with severe mental illness who wish to work.
- Integration: Employment services integrated with mental health treatment teams.
- Informed Choice: Services based on job seeker preferences and choices.
- Benefits Counseling: Clear information on Social Security, Medicaid, and other benefits.
- Timely Job Search: Begins within 30 days of interest expressed.
- Business Relationships: Systematic development of business relationships.
- Continuous Support: Ongoing job supports.

Collaboration and Goals

- Partnership with the Treatment Bureau and Prevention Bureau in BHDD.
- Enhance provider capacity around the IPS Supported Employment model.

Initiative and Outcomes

- Evidence-Based: Employment enhances overall health and well-being.
- Formal Memorandum of Understanding: Defines financial obligations, roles, and responsibilities.
- Collaborative framework for coordinated, cost-efficient services.
- Coordination of training efforts and increased provider capacity.

HUMAN SERVICES

Change Packages – Present Law (PL) Adjustments

SWPL 1 – PERSONAL SERVICES

The budget includes reductions of \$750,586 in FY 2026 and \$724,838 in FY 2027 to annualize various personal services costs including FY 2025 statewide pay plan, benefit rate adjustments, longevity adjustments related to incumbents in each position at the time of the snapshot, and vacancy savings.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	(\$185,469)	(\$59,093)	(\$506,024)	(\$750,586)
FY 2027	(\$181,219)	(\$57,042)	(\$486,577)	(\$724,838)
Biennium Total	(\$366,688)	(\$116,135)	(\$992,601)	(\$1,475,424)

SWPL 3 – INFLATION DEFLATION

This change package includes reductions of \$1,036 in FY 2026 and \$700 in FY 2027 to reflect budgetary changes generated from the application of deflation to state motor pool accounts.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	(\$221)	\$0	(\$815)	(\$1,036)
FY 2027	(\$149)	\$0	(\$551)	(\$700)

PL 1003 - DECREASING APPROP FOR MONTECH PROGRAM - DETD

This present law adjustment removes the appropriation for the MonTECH Program in DETD. Historically, funding for the program passed through DETD, with the University of Montana as the ultimate recipient. The funding stream has changed, and the University of Montana receives funding directly from its federal partner, leaving excess federal appropriation in the DPHHS budget. This package requests a reduction of \$501,030 in federal funds in each year of the biennium.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	\$0	\$0	(\$501,030)	(\$501,030)
FY 2027	\$0	\$0	(\$501,030)	(\$501,030)
Biennium Total	\$0	\$0	(\$1,002,060)	(\$1,002,060)

Change Packages – New Proposals (NP) Adjustments

NP 1001 - MTAP APPROPRIATION INCREASE FOR EXPANDED SERVICES – DETD

This new proposal is necessary to increase appropriation and expand services for the MTAP in the DETD. This service will provide equal access to communication for all Montanans with communication challenges in an evolving world of technology advancement, increased population in Montana, and rises in equipment and contractor fees. This service is funded with state special revenue through assessment of a 10-cent fee collected monthly from users of landlines and cell phones. This package requests \$1,003,974 in state special revenue funds for the biennium.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	\$0	\$480,437	\$0	\$480,437
FY 2027	\$0	\$523,537	\$0	\$523,537
Biennium Total	\$0	\$1,003,974	\$0	\$1,003,974

Change Packages – NP Continued

NP 1004 - VOCATIONAL REHAB FOR CLIENTS WITH SDMI OR CO-OCCURRING ILLNESSES - DET

This new proposal is necessary to add four PB for rehabilitation counselors to the budget for the Vocational Rehabilitation Program in the DETD. The increase is needed to provide and coordinate Individualized Placement and Support (IPS) services for clients who live with a Serious and Disabling Mental Illness (SDMI) or co-occurring diagnosis. The funding source for this position is 78.7% federal funds and 21.3% general fund. This package requests \$694,249 in total funds for the biennium, including \$147,874 in general fund and \$546,375 of federal funds.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	\$75,042	\$0	\$277,274	\$352,316
FY 2027	\$72,832	\$0	\$269,101	\$341,933

NP 1005 - VOCATIONAL REHABILITATION COUNSELOR AT MT STATE HOSPITAL – DETD

This new proposal adds 1.00 PB for a rehabilitation counselor to the budget for the Vocational Rehabilitation Program in the DETD. The increase is necessary to provide employment and training services to patients who are residing at or discharging from the Montana State Hospital to increase their self-sufficiency and independence. The funding source for this position is 78.7% federal funds and 21.3% general fund. This package requests \$173,561 in total funds for the biennium, including \$36,969 in the general fund and \$136,592 of federal funds.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	\$18,761	\$0	\$69,318	\$88,079
FY 2027	\$18,208	\$0	\$67,274	\$85,482
Biennium Total	\$36,969	\$0	\$136,592	\$173,561

Change Packages – NP Continued

NP 1007 - INDEPENDENT LIVING SKILLS PROGRAM FOR BLIND/LOW VISION – HOMEMAKER

This new proposal adds 1.0 PB for the DETD. The PB will distribute, and provide training on usage of, equipment assistive technology for individuals adjusting to blindness and vision loss that are not seeking employment. Due to eligibility requirements, these services are currently only available to individuals wishing to maintain, retain, or advance in employment, or those aged 55 and older. This new proposal would provide services to individuals managing the onset of blindness or low vision who do not fit into the other categories. This package requests \$148,092 in general funds for the biennium. This change package is contingent on passage and approval of LCXXX.

	General Fund	State Special	Federal Funds	Total Request
FY 2026	\$75,446	\$0	\$0	\$75,446
FY 2027	\$72,646	\$0	\$0	\$72,646
