^{*}As of February 2025 the BHSFG Commission has not submitted any capital projects to the Governor for his consideration, therefore estimates of the \$75 million capital fund spenddown is not included.

^{**}Spenddown of the \$225 million for Community-Based Investments assumes approval of the 10 recommendations in the 2027B Governor's Budget and use of BHSFG SSR funds for state share of these 10 recommendations until funds in the SSR account are exhausted. Spenddown does not include any expenditures for the other 12 BHSFG recommendations.
