

MPATH Care Management Module Organizational Change Management Project, Email Communication for 3-13-2020

Subject Line for Email: Regional Round Up Schedule Change

Dear Region Staff and Providers:

With the rapidly evolving situation, DDP has received guidance to hold virtual meetings in lieu of large in-person meetings

whenever possible. The decision has been made to hold one virtual meeting which will occur on March 25th from 10am-12pm in place of the in-person meetings that were to be held in Great Falls, Billings, Helena and Missoula.

What should you expect at the Virtual Meeting?

I (and the MPATH Team) want to provide an overview of the project, and a demonstration of the new system during the virtual meeting. We will provide a brief overview of the MPATH Project as a whole and the MedCompass solution, view a demonstration of MedCompass, and discuss the timeline for implementation and next steps. If you are unable to attend the virtual meetings, a recording of the meeting will be available.

Best, Lindsey
