

## Maternal Health Leadership Council—Quarterly Meeting

**Date:** December 16, 2024

**Time:** 2:00pm MT

**Location:** Microsoft Teams

### Meeting Objectives:

1. Share information on the new Maternal Health Innovation (MHI) funding opportunity.
2. Present new MHLC structure proposal and solicit feedback from partners.

### Agenda

Time	Discussion Topics	Person Responsible	Action Items
2:00pm	<p><b>Welcome, Overview, and Introductions</b></p> <p>MLHC members shared introductions, including name, position, organization, and service populations.</p>	DPHHS	
2:25pm	<p><b>MOMS Program Updates</b></p> <p>Sarah presented an overview of the new MHI grant, including budget, staffing capacity, maternal health consortium development, and funded projects. Please see the PDF slides for an overview of the grant activities.</p>	DPHHS	
2:45pm	<b>Break</b>	All	
2:50pm	<p><b>Proposed MHLC Structure Feedback and Discussion</b></p> <p>Sarah presented a proposed maternal health statewide consortium structure, utilizing the <a href="#">Collective Impact model</a>. The model will aim to connect and coordinate maternal health systems across state, local, and tribal communities.</p> <p><b><i>A recording of the MHLC Structure Proposal and Discussion can be found through the following link: <a href="#">December 2024 Maternal Health Leadership Council Meeting-20241216_144839-Meeting Recording.mp4</a></i></b></p>	DPHHS	<p>-MOMS will work with partners to plan and initiate process for a Tribal Maternal Health Workgroup.</p> <p>-MOMS will continue outreach and consortium development processes.</p>

	<p><b>Important considerations in developing the statewide consortium:</b></p> <ul style="list-style-type: none"> <li>-What is the “system” we are trying to change? Why does it need to change? How is population health going to change because of these efforts?</li> <li>-How can the consortium incorporate Indigenous worldviews into work and the workgroup structure?</li> <li>-What are the needs amongst tribal health systems?</li> <li>-What opportunities are there to engage BIPOC populations?</li> <li>-Who are the Indigenous health leaders to engage?</li> </ul> <p><b>Discussion Resources:</b> Speak My Culture: Embracing Latino Culture in Maternal Health: <a href="https://catalog.rmphtc.org/product?catalog=SMC-ELCIMH">https://catalog.rmphtc.org/product?catalog=SMC-ELCIMH</a></p>		
3:55pm	<p><b>Wrap-Up and Next Steps</b></p> <p>Next MHLC Meeting: March 10, 2025</p>	DPHHS	

**Parking Lot**

*Multi-sector workgroup meetings can spark innovation and collaboration. Members are encouraged to share ideas and feedback with the MOMS Program throughout the call. To uphold the objectives of the meeting, items may be placed within the “Parking Lot” for future exploration and discussion.*
