

## ADMINISTRATIVE RULES OF MONTANA

### **37.86.3402 TARGETED CASE MANAGEMENT SERVICES FOR HIGH RISK PREGNANT WOMEN, ELIGIBILITY**

- (1) A member is eligible for targeted case management as a high risk pregnant woman if:
  - (a) the person is receiving Medicaid or is presumptively eligible for Medicaid; and
  - (b) the member's pregnancy outcome is considered high risk.
- (2) A pregnancy is of high risk if the member:
  - (a) is age 17 or younger;
  - (b) has medical factors which indicate the potential for a poor pregnancy outcome;
  - (c) abuses alcohol, tobacco, or drugs;
  - (d) has someone in the member's immediate environment who abuses alcohol, tobacco, or drugs;
  - (e) is currently in an abusive relationship;
  - (f) is homeless;
  - (g) has had greater than three residences during pregnancy; or
  - (h) demonstrates an inability to obtain necessary resources and services and the person meets three of the following criteria:
    - (i) has a history of physical or sexual abuse;
    - (ii) has no support system or involvement of a spouse or other supporting person;
    - (iii) has not had a dental cleaning in the last year;
    - (iv) is not educated beyond the 12th grade level or does not have a GED;
    - (v) has a physical disability or mental impairment;
    - (vi) has had no prenatal care before or during the first 20 weeks of gestation;
    - (vii) is a refugee or a migrant worker;
    - (viii) is age 18 or 19;
    - (ix) is over the age of 35; or
    - (x) has limited English proficiency.

- (3) The member is not eligible for targeted case management services if enrolled in a Medicaid Patient Centered Medical Home (PCMH) program, Comprehensive Primary Care Plus (CPC+), or Health Improvement Program (HIP).
- (4) Targeted case management services may be delivered to the member, if Medicaid eligibility continues, until the last day of the month in which the 12-month postpartum period following delivery ends.
