

Troubleshooting Tips

If you are signed into the system and aren't able to click on the **DEATHS** link on the left hand side, it could be a compatibility problem. A possible fix to the issue would be to start by going to Tools on the Menu Bar.

Then Click on Compatibility View Settings

Then type in **mt.gov** in the top box and click on the **Add** button to add it to the bottom box. Then click the **close** button.
