FAQ:

How do I know my enrollment for services has been received?

As part of the case opening process, a letter is sent to the custodian and the non-custodial parent.

How long does it take to open the case?

CSSD’s goal is to have the case open within 10 calendar days of receipt. Federal regulation allows for 20 calendar days from receipt to open a case [45 CFR 303.2 (b)].

Can I visit the local office to submit an enrollment form for services?

An enrollment for services can be dropped off at **any** Child Support Services Office, no matter where you live in Montana. CSSD Offices are located in Billings, Butte, Great Falls, Helena, and Missoula.

I am experiencing issues with the online enrollment process for services. Can someone walk me through the process?

For assistance with online enrollment for services, please refer to the administrative contacts listed below.
