

Disability Mentoring Week

for high school students with disabilities

OCT. 26-30, 2026

Connect with Future Talent

Join us in helping students explore real career paths. Disability Mentoring Week gives employers a simple, meaningful way to showcase their industry and build early connections with future talent.

WHY PARTICIPATE?

- Highlight your industry and career opportunities
- Meet students who may become future interns or hires
- Support local workforce development

WHAT WE NEED FROM EMPLOYERS

- Short virtual or in-person career presentations
- Hands-on activities or demonstrations
- Work site tours
- Job shadows

Flexible scheduling. Any level of involvement makes an impact.
