

## Montana Milestones Part C of IDEA Procedural Safeguards: Dispute Resolution

Montana's statewide system includes written procedures for the timely administrative resolution of complaints through mediation, Montana's state complaint and due process hearing procedures. Montana Milestones allows parents and local Part C Program providers to resolve informal complaints at the local level, however, the local Part C Program provider must (1) review with the parents all dispute resolution options they can exercise and (2) review with the parents they can choose another dispute resolution option at any time.

### **Mediation**

Montana Milestones makes available to parties to disputes involving any matter under this part the opportunity for mediation meeting the requirements in §303.431.

### **Montana's State Complaint Procedures**

Montana Milestones adopted written State complaint procedures to resolve any State complaints filed by any party regarding any violation of this part meeting the requirements in §303.432 through §303.434.

### **Due Process Hearing Procedures**

Montana Milestones established written due process hearing procedures to resolve complaints with respect to a particular child regarding any matter identified in §303.421(a), by adopting the Part C due process hearing procedures under section 639 of the Act that:

- Meet the requirements in §303.435 through §303.438; and
- Provide a means of filing a due process complaint regarding any matter listed in §303.421(a).

### **Status of a Child During the Pendency of a Due Process Complaint**

During the pendency of any proceeding involving a due process complaint, unless the local Part C Program provider and parents of an infant or toddler with a disability

otherwise agree, the child must continue to receive the appropriate early intervention services in the setting identified in the IFSP consented to by the parents.

If the due process complaint involves an application for initial services under Part C of the Act, the child must receive those services not in dispute.
