

## **AGED, BLIND, AND DISABLED MEDICAID 012**

### **Table of Standards: Qualified Disabled Working Individual**

**Supersedes:** ABD 012 (04/01/2024)

**Reference:** ARM 37.83.401, .402, .406, 37.82.101

**Overview:** Effective April 1, 2025, use the following standards to determine income eligibility for Qualified Disabled Working Individuals (QDWI). Applicants with monthly countable income in excess of the QDWI income standard; 200 percent of the federal poverty level are not eligible for QDWI coverage.

Individual: \$2,608

Couple: \$3,525

QDWI is not a Medicare Savings Program. A recipient cannot be open for QDWI and another Medicaid program at the same time. He or she must choose one program (for example, choose between QDWI and Medically Needy coverage).

#### **BENEFITS:**

An eligible QDWI is entitled to have only monthly Medicare Part A (hospital insurance) premiums paid by Medicaid. "Regular" Medicaid benefits (e.g. physician visits, hospitalization, etc.) are not available to QDWIs.

**Effective Date:** 04/01/2025
