

## COMBINED MEDICAID 304-5 Out of Pocket Maximum

**Supersedes:** CMA 304-5 (07/01/2016)

**Reference:** SB 405 (MCA 17-7-502 and 27-2-205) and ARM 37.84.107

**Overview:** Medicaid households are required to pay copays and co-insurance. The amount paid out of pocket cannot exceed 5% of total countable household income.

Once eligibility is determined and the 5% maximum out of pocket is calculated, it cannot be increased until the annual renewal, or when the client requests the amount be recalculated. Individuals receiving ACA Adult will have a 3% out of pocket maximum.

**Effective Date:** January 01, 2018
