PERMANENT RECORDS:

Documents stored in the permanent records section must be retained for three federal fiscal years from the date the case closed. **NOTE:** It is a best practice to retain resource and income verification that is not readily obtained by the client (i.e., trust funds, contract for deeds, life estates, annuities, retirement accounts, etc.) for three federal fiscal years after case closure.

Authorization to release information/confidentiality forms for each adult (including but not limited to: HCS-101, -102 and -103); NOTE: When an authorization to release information form is used to collect medical information to determine eligibility or benefit amount for any program, both the form and the information obtained by using the form must be retained.
3. Rights and Responsibilities Form (if signed by the household).

RECORDS RETAINED FOR PENDING CONCERN:

Primary original records related to the following situations must be for the duration of the concern.

1. Open fraud or IPV investigation.
