Early and Periodic Screening, Diagnosis, and Treatment Medicaid State Plan Amendment
effective January 1, 2020

On or before March 31, 2020, the Montana Department of Public Health and Human Services will submit the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) Medicaid State Plan amendment for approval to the Centers for Medicare and Medicaid Services.

Effective January 1, 2020, the EPSDT Medicaid State Plan will be updated to revise the description of the non-federal share for Comprehensive School and Community Treatment. This amendment is budget neutral.
