

Our New and Improved Lending Library

The NAECB Exam Secrets
Study Guide

The Asthma Educator's Handbook

Check these both out at your local library

For those who prefer to read a physical book, copies of [The Asthma Educator's Handbook](#) and the [NAECB Exam Secrets Study Guide](#) are available for checkout from several Montana public libraries in the Montana Shared Catalog. If your local public library does not belong to the Montana Shared Catalog, you can ask your local librarian to place an interlibrary loan and the book will be sent to your library for pickup.

Access our ebooks anytime and download to your device

MontanaLibrary2Go is a virtual library available to most Montana residents with an active library card through the website <https://montana.overdrive.com> or through the free Libby by OverDrive app. Sign up for a free MontanaLibrary2Go account with your library card in order to check out [The Asthma Educator's Handbook](#) and either download to your device or read it in your browser.
