- Chicken
- Beef
- Bread
- Beer
- Wine
- Eggs
- Potato Chips

**March - 7**  
**September - 7**  
**October - 8**  
Months with the most wrecks

DPHHS-Food and Consumer Safety Section receives information on truck and train wrecks from the Public Health Emergency Preparedness Duty Officer. FCSS then contacts the local sanitarian, who determines if the load can be salvaged, or is contaminated with dirt, fuel, or other substances and must be disposed of.
