Expectations for the RN and EMT We allow 4 helper staff per course. We ask that you choose a course location close to your location to minimize travel costs as you will be reimbursed for travel at State rates. Staff helpers are trauma coordinators, trauma registrars, trauma program staff and EMS personnel. This excellent trauma program will provide you with numerous opportunities to attend lectures and skills stations. There will be staff available throughout the course and will provide information and direction as needed. You must be available for both days!

A Continental breakfast and lunch will be provided at the course site both days. We will reimburse you for travel and all other meals at state rates after the course. Be sure and complete our reimbursement form before the end of the course on Saturday.

Casual dress is recommended and there is nothing you need to prepare.

Mail Registration to: EMS and Trauma Systems, 1400 Broadway, Box 202951, Helena, MT 59620-2951
OR fax to 406 444 1814.
