# SoilSHOP EVENT

**LOCATION:** CAPITOL SQUARE FARMERS MARKET, HELENA

**TIME:** SEPTEMBER 27 (TUESDAY) 2:30 - 6:30 PM

Lead may be in the soil of your garden and play area for children  
There is no known safe lead level for children

**Protect you and your family from harmful lead exposure by participating in soilSHOP for free lead screening!**

- Bring soil in a clean and clear Ziploc plastic bag
- Make sure the soil is dry and free of debris and plant material (scan the QR code above for an instructional video on sample collection)
- You can bring up to three soil samples
- DPHHS staff will screen your samples and answer any questions you have about lead exposure and health effect

If you have any questions, please contact us at [soilshop@mt.gov](mailto:soilshop@mt.gov)
